### Adoption Application

Pet ownership is a commitment that the entire household needs to consider and agree to before the animal is adopted. We want to ensure that each adoptive household is aware of, willing and able to accept the physical and financial responsibilities of pet ownership. This application is designed to assist both you and us in determining if your household is prepared to assume the role of a responsible caretaker for a rescue animal. Please note that applying does not ensure approval. Canine Miracle Rescue reserves the right to refuse adoptions to anyone. No animal will be adopted to prospective owners who mislead or fail to provide accurate information on the adoption application.
